Life Church has created a beautiful brick area on the church grounds near our Family Life Center. We are continuing to make this area incredibly special by including the names of people and businesses that would like to become a part of a lasting tribute for many generations to come.

Purchase a commemorative brick for your family, to honor a loved one, to feature your business or organization, or to be used as a memorial. (See sample ideas below.)

Your personalized brick will be laser engraved with your chosen name or phrase and placed in the designated area at the church.
